# Summer 1 How do Christians decide how to live, What would Jesus do?

Religious Education explores big questions about life, to find out what people believe and what difference this makes to how they live.

## Key Vocabulary and Terms

- **Gospel**—Christian belief in the 'good news' that Jesus brings. The four Gospels in the New Testament are Matthew, Mark, Luke and John.

## What we will learn:

### **Make sense of belief:**

- Identify features of Gospel texts (for example, teachings, parables, narrative)
- Taking account of the context, suggest meanings of Gospel texts studied, and compare their own ideas with ways in which Christians interpret biblical texts

### **Understand the impact:**

- Make clear connections between Gospel texts, Jesus' 'good news', and how Christians live in the Christian community and in their individual lives
- **Make connections:**
- Make connections between Christian teachings (e.g. about peace, forgiveness, healing) and the issues, problems and opportunities in the world today, including their own lives
- Articulate their own responses to the issues studied, recognising different points of view.
